

The Thriving Campus

The **Collaborative Assessment Project's** initiative for 2024-25 -- Sponsored by the Council for Christian Colleges & Universities and coordinated by The Thriving Project at Azusa Pacific University

2024-25

A comprehensive approach to assessing your campus climate and student success

Components of the Project

Assess Student Thriving
Oct-Nov 2024

Campus Reports and Action Plans

Assess Faculty & Staff Thriving
Oct-Nov 2024

Webinars and Consults

What You Get

Oct. 7 to Nov. 8, 2024: Assess *all* students' thriving: Undergrad, Grad, and Adult Learner versions with additional spiritual formation items

- Raw data in Excel or SPSS
- Campus report comparing your students to CCCU benchmarks
- Results disaggregated by race, if sufficient sample
- Recommended action plan for responding to your results
- Predictive model of thriving, if sample size > 300
- Webinar on February 21, 2025 at 10:00 a.m. PST to discuss findings and answer questions

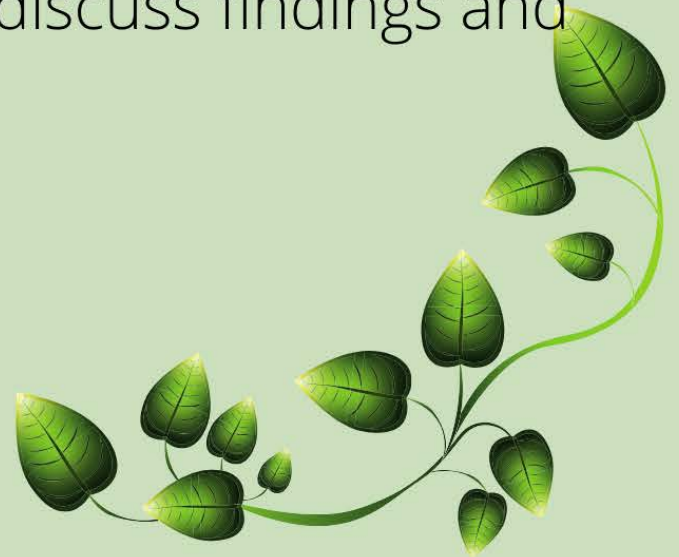

What You Get

Assess faculty and staff thriving levels (separate instruments)

- Oct. 7-Nov. 8, 2024 or Feb. 3-March 3, 2025
- Raw data in Excel or SPSS
- Campus report comparing your faculty to CCCU benchmarks
- Campus report comparing your staff to CCCU benchmarks
- Results disaggregated by race, if sufficient sample
- Recommended action plan for responding to your results
